

## Theatrical Ministries Inc. TMI (DRRA)

### Standards of Conduct for Participation in TMI Production and Ministry

1. **TMI** reserves the right (whether through an audition or interview process) to restrict and or prohibit the participation of anyone desirous of involvement in a **TMI** production or activity.
2. Because **TMI** is a ministry, it is imperative that all those participating in any way understand so. They must not only be familiar with the **Statement of Faith** and **Standards of Conduct** laid out by **TMI**, but all performers, technicians and any other participants must sign a **Declaration of Agreement**. Failure to do so would disqualify their ability to participate.
3. **TMI** believes in outreach to everyone and that includes performers, Therefore, while the preference is to include "**Born Again**" Christians who are living victorious lives, participants must acknowledge the sovereignty of God and His purpose for the redemption of mankind. It is through the production/ministry and discipleship process that a genuine relationship with the Lord Jesus becomes a reality for those who may not have one and is strengthened for those who already do.
4. Tobacco (including e-cigarettes or anything vape related) and or alcoholic beverages are not allowed on the property at any time.
5. Unmarried couples will refrain from kissing, hugging or pairing off alone together. Married couples use discretion.
6. Dress with modest attire.
7. All backstage conversation should be as quiet as possible and of a wholesome nature. Cursing and foul language are forbidden.
8. All Cast members are required to participate in **p r a y e r** during rehearsals, and before performances. We would ask that you pray of your own accord for the ministry as well. Also, if Praise and Worship is part of the performance night, unless otherwise indicated, it is an expectation to participate as well.
9. Cast members are not allowed on stage in costume before the performance.
10. All Cast and Crew are to be ready at the designated time before the performance begins.
11. **ATTITUDE** is of the utmost importance. Praise and encouragement are the best weapons against negative and critical attitudes.

12. Adherence to the **Cast and Crew Handbook** as it sets guidelines for costumes, photo releases, medical releases, use of copyrighted **TMI** materials, guest seating, electronic devices, prayer etc. must be maintained at all times. Failure to do so may result in removal from participation.
13. The ministry operates with the oversight of functional authority. Therefore, all leaders, directors, and department heads must receive your respect and cooperation.
14. Remember, while this is a production in which the audience will be entertained, it is first and foremost a ministry by which the objective is to glorify the Lord Jesus and therefore, accomplish His will. **AMEN!**
